## F.A.Q

Q. I don't have a partner, is that okay?

A. You are welcome to bring someone along but don't worry plenty of people come on their own. You will be assigned a partner in class and partners are rotated regularly so that you get to meet and practice with loads of great people.

Q. Is there a dress code?

A. We recommend smart, casual wear.

Q. What shoes should I wear?

A. For guys, smart shoes or trainers are fine. For women we advise against wearing stiletto's or wedges. Anything like a shorter, comfortable heel, trainers or dance shoes i.e. a jazz slipper would be ideal.
